PEOPLE'S REPORT

TO: MR. EXCELLENCY PRES. BENIGNO AQUINO JR.
THRU: DOCT. SECRETARY PRES. DE JESUS & LTO AGEN. VIGOR TORRES
RE: REQUEST for REMOVAL of THE "REDUNDANT" STRADCOM INTERCONNECTIVITY FEE

In response to your call during your inaugural speech to report to you all anomalies in this form: THIS IS

Please investigate ASAP the question of how seriously the longest-running "assisted" government corporation in the Philippines

THE FACTS...

WE entrusted to LTO the SENSITIVE AND CONFIDENTIAL DATABASE of ALL our motor-vehicles and ALL non-Philippine non-Philippine and student drivers' personal data and for the past ten years we are seeing BILLIONS of our hard-earned money for the LTO to use it RESPONSIBLY

HOWEVER...

Unknown to many and maybe even secret to you... WE ARE REPEATEDLY PAYING STRADCOM INTERCONNECTIVITY FEE just to access the LTO vehicle and driver's DATABASE

It is happening because...

THE PREVIOUS DOTC/LTO OFFICIALS ALLOWED STRADCOM to IT PROVIDED BY ABUSE IN GOOD CONTROL, TAKE-OVER and CONTROL the LTO vehicle and Driver's Database and EARN BILLIONS of the amount through the STRADCOM INTERCONNECTIVITY FEE

THIS MUST BE STOPPED

The solution is simple

ELIMINATE STRADCOM AS BROKERAGE and REMOVE FROM STRADCOM THE CONTROL OF THE DATABASE AND RETURN IT TO LTO WHERE IT RIGHTFULLY BELONGS!!

The present System

When Owner / Drivers pay WITHOUT legal basis whatsoever

- 1. System Interconnectivity Fee (Insurance Coverage)
- 2. System Interconnectivity Fee (Insurance Fee)
- 3. System Interconnectivity Fee (Driver's Learning Permit)
- 4. System Interconnectivity Fee (LTO)
- 5. System Interconnectivity Fee (LTO)
- 6. System Interconnectivity Fee (LTO)
- 7. BILLIONS of Pay to STRADCOM

Our proposed ideal System

Vehicle Owner and Driver pay LTO a LTO ACCESS FEE during which transaction at LTO, vehicle registration, plate assignment, driver license renewal, etc.)

RESULT... BILLIONS of REVENUE FOR THE GOVERNMENT

YOU also suffer from the same fate as we do, as a driver's license holder and as a motor vehicle owner

IF YOU are looking for additional revenues for the government... look no further. The government can earn ADDITIONAL BILLIONS OF PESOS easily by allowing our proposed system as shown above

The fact that we pay to STRADCOM should have gone DIRECTLY to LTO and NOT to a single corporation, whose only claim is that we were using a single contract that required it to provide the government the interconnectivity LTO and evaluation of an accurate database of vehicles registered for the benefit of the government and the Filipino people

YOU are our only hope. We voted for you because we believe that you can do something about it

YOU now have the power to implement changes that can put an end to any economic problem of any company or gov't agency that keep us of our hard-earned money

STRADCOM ALMOST IMPLEMENTED AT OUR EXPENSE THEIR UNRESPONSIBLE & VERY ILLEGAL RFB PROJECT (please don't let them do the same with the INTERCONNECTIVITY FEE)

PLEASE REMOVE US FROM THIS BURDEN

AND FINALLY... REQUIRE STRADCOM TO REPORT TO THE GOVERNMENT THE BILLIONS OF PESOS THEY COLLECTED FROM US!!

SOMEHOW YOU CAN STOP US

Very Truly yours,

PINOY KONTRA BULOTONG (P.KBT)

Drug prompting is critical
 In a study published online in *Journal of Clinical Pharmacy and Therapeutics*, researchers from the University of Illinois at Chicago (UIC) and the University of Maryland at Baltimore (UMB) found that drug prompting is critical to ensuring adherence to therapy in patients with chronic conditions.

The researchers, led by Dr. David Asch, found that patients who received drug prompts were more likely to take their medication as prescribed than those who did not. The study also found that patients who received drug prompts were more likely to understand the importance of taking their medication as prescribed.

The researchers concluded that drug prompting is a critical component of patient education and adherence. They recommended that healthcare providers use drug prompts to help patients understand the importance of taking their medication as prescribed.

The first column shows the early stages from fertilization to the formation of the embryo, and the second column shows the later stages from the formation of the embryo to hatching. The images are labeled with numbers 1 through 100, indicating the sequence of development.
